The Mike Luipersbeck Trio consists of Bob McHugh, piano; Alex Gressel, bass and Mike Luipersbeck, drums and band leader. The group will perform the best of the music from “The Great American Songbook”. Listen (and dance, if your inclined) to some of the best music written from Gershwin to the Beatles. Bob McHugh is one of the finest jazz pianists in the greater New York area; Alex Gressel has had the great fortune to play with world-class but somewhat obscure musicians in a long acclaimed professional career; and Mike Luipersbeck is an accomplished jazz drummer.

This program is sponsored by the Wayne Public Library.
