***Rules of Civility* by Amor Towles**

Set in New York City in 1938, tells the story of a watershed year in the life of an uncompromising 25-year-old named Katey Kontent. Armed with little more than a formidable intellect, a bracing wit, and her own brand of cool nerve, Katey embarks on a journey from a Wall Street secretarial pool through the upper echelons of New York society in search of a brighter future.

Copies of the printed book (regular & large type) and the Book-on-CD are available for participants at the Reference Desk.
